

Merrick's
BLUE RIBBON®

GOATS PREFER™

for Goats & Kids

Probiotic Plus Paste™ is a source of Lactic Acid Bacteria and vitamins. When given as directed, helps maintain normal appetite and natural immunity during stress ending events.

FEEDING RECOMMENDATIONS:

Select recommended serving and remove the cap. Hold the head of the animal in a slightly elevated position and place the nozzle on the back of the tongue. Give the recommended serving slowly, allowing the animal time to swallow. Do not give to animals that are unable to swallow.

Newborn: 1-2 ml

Adult Goats: 5 ml
