Lamb & Kid Electrolytes™

★ ★ ★ ★ ★ with SPECIAL DIRECT-FED MICROBIALS

DESIGNED FOR LAMBS & KIDS

Merrick's Blue Ribbon Lamb & Kid Electrolytes is specifically designed for lambs and kids as a supplemental source of electrolytes and nutrients. Because lambs and kids consume less than other livestock species they require a different balance of electrolytes. Lamb & Kid Electrolytes provides a targeted combination of proven electrolyte ingredients to help optimize water and electrolyte absorption for the unique nutritional needs of lambs and kids.

A WINNING COMBINATION

Merrick's Blue Ribbon Electrolytes are formulated to provide a supplemental source of electrolytes, nutrients and direct-fed microbials in one product.

FEATURES

- ★ Dual action formula helps restore electrolyte balance and promote gut health.
- ★ Specifically formulated for the nutritional needs of lambs and kids.
- ★ Contains inulin and glutamine for intestinal health.
- ★ Enhanced with direct-fed microbials at guaranteed levels.
