POULTRY ELECTROLYTES

★★★★★ with Probiotics, Vitamins, and Minerals

NOW AVAILABLE IN SINGLE SERVING SACHETS!

The perfect **ALL-IN-ONE** supplement for all ages and species of poultry.

- Electrolytes promote the absorption of key nutrients
- Two active strains of probiotics support a healthy gut
- Vitamins A, C, D3, and E provide vital nutritional support
- Just mix the premeasured packets into water for easy feeding

On average, a hen should drink about **1 pint of water per day; 2 pints per day during hot weather.**

MIX & FEED INSTRUCTIONS:

One 3 g sachet makes one gallon. Offer mixed solution to birds during periods of stress and/or after antibiotics. Offer the mixed solution **AND** plain drinking water at all times.

IMPORTANT: Make fresh solution daily.
